Commissioner for Patents

The reply filed on March 2, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The amendment to the claims does not comply with 37 CFR 1.121 (this will be further explained below). Also, applicant doesn't provide arguments pointing out the distinctions believed to render the claims, including any new claims, patentable over any applied references. See paragraph #5 in the office action mailed Jan. 12, 2005. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

If applicant wished to amend the claims here is an example of how applicant should do so on a separate sheet of paper: Include the heading and following the format below.
